

E. Rivers Concession Stand -- Team Snacks

Turn your game snack duties over to the folks at the E. Rivers concession stand. For each game except the last game we will provide:

- water
- sports drink
- snack

for each player for \$17.50 per player*. **We do not provide snacks for the last game due to end of season celebrations.** All proceeds benefit the E. Rivers PTA.

How it works

Pick up your snacks and drinks from the concession stand before each game and return the empty bags on your way out. If your game is not at E. Rivers, we will have them ready for pickup an hour before the game. You may return the bags the following week. Contact us for special arrangements as needed.

To Order

Simply fill out the form below and return to the concession stand, or scan and email to eriverslionspause@gmail.com. You can also call your order in to Sarah Bartlett at 404-775-2472, or just email the pertinent information to the address above. Payment is due to the concession stand on the first game and can be made by check or cash. We can also accept credit cards but there is a 3% processing fee.

*Price per player assumes 7 games. If you have a bye week or wish to purchase snacks for only a few games, we will quote you the adjusted price.
